 LinkedIn  Portfolio

Professional Summary

Passionate UI/UX Designer with 3+ years of experience creating user-centered digital experiences for web and mobile applications. Expertise in design systems, prototyping, and user research. Proven track record of improving user engagement by 40% and reducing bounce rates by 30% through innovative design solutions.

Work Experience

UI/UX Designer

TATA Consultancy Services - Chennai, India

2022 - Present

- Led internal **UI redesigns** for IT dashboards and admin panels to improve clarity and user experience.
- Collaborated with teams to ensure tools met accessibility and **design best practices**.
- Created interactive **layouts** and comprehensive system documentation using user-centric visual design.

Feature Projects

UI Redesign - IT Service Portal - Jun 2023 - Present

- Designed clean, responsive user interfaces for web and mobile platforms using Figma, focusing on usability, accessibility, and consistency.
- Developed wire-frames, **user flows**, mockups, and interactive prototypes to support user testing and design reviews.
- Maintained and contributed to the company’s **design system**, ensuring scalability and design consistency across all products.
- Collaborated with **cross-functional** teams including developers, product managers, and UX designers to translate business needs into intuitive digital experiences.
